

Trunk or Treat – Guidelines for those decorating a trunk/vehicle

The purpose of our annual Trunk or Treat event is to serve and connect with our wider community by providing a safe and fun atmosphere for kids and families to come to on the evening of October 31. The ultimate aim through this is to build relationships and rapport with our neighbours who may not attend a church community and to shine the light of Christ.

Here are some guidelines for those who are decorating a trunk/vehicle:

- Be creative with your decorations and have fun with this!
- Choose themes and decorations that will be understandable and appropriate for children.
- Please avoid images and decorations that include blood, gore, intense images, demonic or satanic references, skeletons, etc.
- Plan to fit your decorated elements within one vehicle space. If you require more space, let Pastor Ben know ahead of time.
- Remember to bring lots of candy to give out to kids! We will have extra if you happen to run out.

If you have any questions, contact Pastor Ben at bfroese@summitdrive.com
